

Robin Van Persie, well known as a technically gifted footballer nicknamed 'The Flying Dutchman'. His successful football career has come to an end, however, he has not lost his scoring drive and perfection.

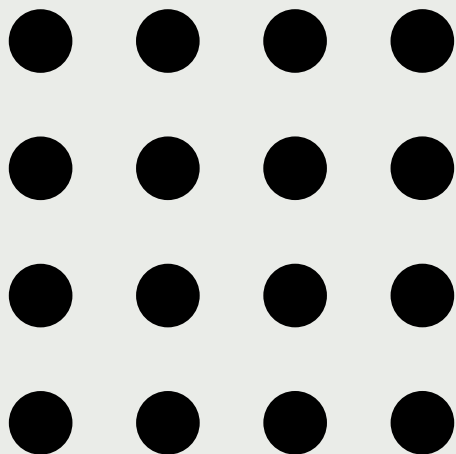

Robin is an avid padel player who wants to share this sport with all of you. This is how the By VP brand was born. A complete padel line, designed by Robin van Persie. 3 pillars are central:

SCORING DRIVE
REFINED LUXURY
PERFECTION

These pillars are translated through into the design of the complete collection, the outstanding quality and the brand's identity. By VP has a complete collection that includes rackets, apparel, balls, bags and accessories. Both beginners and advanced players can find a suitable racket within the By VP collection.
